All,
After looking at this 1964 aerial photo it looks like our photo was taken from the southeast corner of the southern impoundment.

Importance: High

Gary, Val,
We finally found a photo taken by pollution control of the active disposal operation, 7/65!

Is this the kind of pic we have been looking for. The slide was not labeled but that is clearly I-10 in the background and this is the right location.

Libby
